O. W. LOCKE

ORLEANS, VERMONT

There was a very pretty wedding Thursday evening at the home of Thomas G. Crandall when their only daughter, Bessie Mae, was united in marriage to C. Harold Whitcomb. During the march, played by Miss Bertha Kinne, the couple took their places under an arch of ferns and sweet peas. The ceremony was performed by Rev. Daniel Gregory, grandfather of the bride, in the presence of thirty friends and relatives. The bride was prettily gowned in soft champagne silk, and carried sweet peas. They were the recipients of many useful and pretty presents. After congratulations and refreshments the bride and groom eluded the whole company, leaving them to conjecture as to their whereabouts and mode of conveyance. The facts came out next morning when they left for a carriage drive to Hyde Park. The best wishes of their many friends go with them.
